

# YASH PANDEY

## FULL STACK WEB DEVELOPER

### PERSONAL PROFILE

I'm currently pursuing Bachelor of technology Engineering from Madan Mohan Malviya University of technology with Information Technology Branch & I'm looking forward to contributing my skills and experiences to your organization if given the opportunity. If I am hired, I will be able to give it my full attention and will deliver on time. Apart from this, I can effectively work towards tight deadlines. My understanding of the work is what makes me an excellent candidate to hired.
